

Change for Chester

Our big foreign coin appeal

Your club needs you!

We want **coins and notes of any currency** - foreign and British - which we can convert into valuable funds for your club's Supporters Trust.

Whether it's the cash left over from your last holiday, or those pennies you've been collecting, we need it now!

Whether you keep it in an old tin or even an old boot, please bring it down to the club and help us to really make a difference this year.

Your donation, however small, will really make a difference.

**Support your Supporters Trust
...before it's too late!**
