

# The change in your pocket can change someone's life

Coins and notes of all currencies welcome.

The money raised will be sent to a developing world country, where we administer practical aid that enables people to make a change in their lives that benefits them and their community long-term.

Every day we are seeing the proving of 'a little goes a long way'.

It really is true that the change in your pocket can change someone's life.

Each and every foreign coin we collect is carefully sorted to provide the funds to fulfil the charity's objectives.
